

O calendário das atividades avaliativas foi desenvolvido para que os pais e os próprios alunos possam compreender e conhecer quando e quais atividades serão trabalhadas nas datas específicas. É importante lembrar, que o High School possui quatro disciplinas no primeiro semestre, sendo Health, English 9A e Study Skills, disciplinas anuais e Speech 1, disciplina semestral. A disciplina English 9B será inserida no segundo semestre, porém ainda não consta no calendário.

Qualquer dúvida, a coordenação do Programa de Internacionalização fica à disposição para maiores esclarecimentos.
